

Network Action Proposal

Title:	euCognition Outreach through HE Curriculum
Membership number(s)	
Member name(s)	Joanna J. Bryson
Member institute/company name(s)	University of Bath
Goals of the action	<p>This action really represents one of two projects which would be completed concurrently by one Outreach officer (Dylan Evans) with minimal supervision of one network member (JB).</p> <p>Assemble a Cognitive Systems curriculum for higher education (undergraduate, masters and where possible PhD courses). This will be largely an exercise in research and archiving, as we will attempt to find and assimilate the current best practice from the existing European courses (including summer schools etc</p>
Principal activity to which it contributes <ul style="list-style-type: none"> ○ Community Outreach ○ Scientific Outlook ○ Education & Training 	Project contributes to all three, but particularly Education & Training for B.
Concrete outcomes of the action (at least one of which should be material suitable for publication on the euCognition website)	<p>A) A editable web-site linking to existing cognitive systems model curriculum, possibly also making recommendations of core courses and area-specific electives. This will include an on-line community-updatable archive of course materials such as slides, notes, web pages, software and videos.</p>
Effort in person-days that will be charged to the Network Action (if any)	Outreach Officer: 60 person days (3 months).
Expected start and duration in months	Sometime March-June 2008, 3-6 months
The requested funding, under the following headings: <ul style="list-style-type: none"> ○ Travel Costs ○ Other Costs (check with the Network Coordinator if you aren't sure about eligibility of these costs) ○ Labour Costs (identify the number of person-days and the rate per day). 	<p><i>These are worst case, see below for details</i></p> <p>Staff costs: 23,518 Travel costs (conferences, university outreach, summer schools): 2,000 Total: 25,518</p>
Please identify any other sources of funding that contribute to this Action (actions to support events such as workshop and conferences should include an outline budget identifying the total cost)	There is another action also submitted. If both are accepted this one may take less than 3 months.

Workshops: *official euCognition event*
(yes/no & maximum number of members that
can be accommodated)

Staff costs

	euro	+20% other costs
OO	16,419	19,702
Recruitment	3,180	3,816
Total		23,518

Note: if both proposals are approved in by Monday we expect to spend nothing on recruitment and possibly less on the outreach officer. These figures are just required by Bath in the worst case that we lose our desired candidate and have difficulty recruiting a new one adequate to the task. All unused funds will be retained by the EC and never delivered to Bath.
