=====

- 1) Palma Members' Meeting seems fine.
- 2) Brighton meeting: Ron and Vincent - perhaps supported by PR person, see below.
- 3) No definite plans for educational events in 2013, beyond Bochum summer school (<http://robotics-school.org/>). Perhaps events Zurich and Palma.
- 4) Probably early 2014 in Bochum. Theme to be decided. Last meeting Fall 2014, details to be decided.
- 5) Communication Plan
Presentation Sebastian Grinschpun (on plan submitted as pdf)
 - outreach is part of networking
 - 'artificial cognitive system' not used much in EU, EUCogIII is too modest
 - we need to create stories
 - strategy for content creation
 - audiences, with specific messages
 - public
 - peers,
 - stakeholders
 - content, e.g. more robust, adaptive, effective and autonomous + insights into natural systems [=intelligent]
 - we need such systems: own goals, deal with uncertain real world, learn from experience
 - > stories
 - improve how people interact with artificial systems

- learn how we understand ourselves
 - > stories
 - tactics
 - website for spreading digital content, network members, different levels/ audiences
 - journalists at our meetings (invited)
 - specific events for outreach
 - student outreach
 - mashupminds
 - public influences stakeholders, not inversely
- > General approval & plan to be submitted, covering until October
