

- Minutes -
Coordination Council Meeting 23.10.13
Brighton/USussex
10:00-12:30

Present:

Gomila, Pfeifer, Müller, Sandamirskaya, Schöner, Vincze, Ziemke
(Grinschpun, Nitsos, DaCosta, Bajart)
[Chrisley excused for local organisation & press interviews]

Agenda

- 1 Meetings 2014 (Bochum 20-21.3.14, Genoa 17-18.10.14)
- 2 Industry Days
- 3 Members' Questionnaire, 'results' questionnaire
- 4 Munich Message Meeting (8.7.13) aftermath
- 5 November meeting in Luxembourg (15.11.13)
- 6 Outlook to Report 2014

1

- Dates for both meetings are set
- Bochum theme:
 - grounded language, embodied communication
 - Discussion on details and speakers
- Genoa: Possible themes
 - affective systems, motivation, emotion, ...
 - developmental robotics
 - "Future of Cognitive Systems" - with the 'stars', where do we stand, where do we go?
- > VCM will write a concept

2

- Tom & Gregor are responsible
 - We envisage a ERF contribution, day 2 (though location problematic)
 - Theme: assisted driving, human factors (various contacts, Marcus @ Daimler)

3

- We need results & successes & impact (for politicians, engineers, public)
 - > expert survey of reproducible results? VCM will cooperate with David Vernon, Cécile Huet and Olivier da Costa
- the survey will be furthered with the Luxembourg meeting (see point 5 below)

4

- 2nd Munich Message Meeting brainstorming
 - high-level participation

- PPP topic groups (cognitive systems, benchmarking, ethical-legal-societal)
- Press activity (events, press-releases, outreach section, social media,)
- “branding” – members ‘5 items’? (5 problems of current systems/ promises, 5 insights, 5 working systems/solved, 5 animals to learn from)

5

- Date fixed for 15.11.13

6

- Areas that need attention: Geographical Bridge, Industry Days

Miscellanea

- Make one day of Members’ Meeting part of the review -> Gregor will attempt to move conference back 1 day (19 & 20.3.)
- Anne Bajart presents on H2020

— meeting adjourned —
