

## **EUCogII Coordination Council Meeting**

11.10.2011

13:15–14:45

Groningen, Hampshire Hotel

### **Minutes**

(Minutes approved by Coordination Council vote 8.11.2011)

Present: Andringa, Chrisley, Gomila, Müller, Schöner

Minutes prepared by: Müller

#### **1. Members' Meetings**

- Vienna, 23–24.2.2012 (following CogSys 2012)
  - Discussion about theme:
    - wrap-up of EUCogII and joint vision of CC for EUCogIII
    - current problems in robotics
    - where do robotics and cognitive systems stand (honestly naming problems)
    - involvement of funding agencies (EU, DARPA, etc.)
    - machine learning in robotics
    - cognitive and non-cognitive robotics
    - "cognitive systems and robotics"?
  - Practicalities are progressing in cooperation with Markus Vincze
  - Invitations are next
- 2nd EUCogIII meeting for Odense, August 25–26 2012, before SAB 2012 (at University of Southern Denmark), under lead of Tom Ziemke – Approved.

#### **2. Personnel Costs from Pool**

- Information and call for plans & applications
- We will have another round of personnel cost applications from the pool shortly.
- Normally, all costs have to be processed by the end of the project (31.01.2012), but some costs (such as the review meeting) are eligible later, up to a deadline of 60 days.

#### **4. WP 1–3 Brief Look at Plans**

- State of the Art
  - Planning underway btw. Sussex and Skovde
- Challenges
  - New workshop planned for Jan 20–22, 2012 at Oxford.
- Education
  - no particular plans after lots of activity in this summer

#### **5. Miscellanea**

- Gomila in Thessaloniki: research visit or network activity?
  - Unanimous decision in favor of network activity (Gomila left the room).  
We will consult project officer.
- Planning for CC meeting Nov. 28th, AI Lab Zurich. Time now 10–18:00.

**The Post-Review Discussion (with outlook to EUCogIII) was postponed to next meeting, Nov. 28th, Zürich.**

Meeting adjourned
